Toronto, ON M5S 1X1

HERO'S FURNACE BULK PURCHASE SIGN-UP FORM

The Harbord Village Residents' Association's Home Energy Retrofit Opportunity (HERO) project has arranged a bulk purchase of high efficiency furnaces for Harbord Village residents from AtlasCare. Information collected by AtlasCare will be used to calculate the energy and green house gas savings produced by this phase of the HERO project.

I request AtlasCare provide me with a quotation for a high efficiency furnace and/or other home comfort equipment and services for my home.

I understand that information on the HVAC equipment in my home will be provided to HERO to calculate the energy and green house gas savings resulting from my purchase. HERO participants receive an 8% discount from AtlasCare and a \$ 100 rebate from HERO on completion of their furnace upgrade in addition to any applicable federal and provincial grants.

Name: _____ PLEASE PRINT CLEARLY

Address: _____

Telephone: H: _____ W: _____ E-mail: _____

The best time to contact me is: _____

Signature: _____ Date: _____

Drop off or mail a signed copy of the form to David Booz, HERO Project Coordinator, 286 Borden Street, Toronto M5S 2N6, phone 416 806 2669, or scan the signed form and e-mail to hero@harbordvillage.com.

The HVRA HERO project is supported by a Live Green Toronto Community Investment Program grant from the City of Toronto.
